Questionnaire_Proposal_10.20.0...

Bristow:

Attached please find the updated scope of work and budget for Covance PA 17. Please proceed with revising the current draft of the agreement.

We need to have this agreement executed such that work can begin by December 1. I leave it to the project team to determine what this means in terms of an accelerated timeline. Please let me know if there are questions about the revised information.

Thanks,
Valerie
